CHOOSING SERVICE STATIONERY

We’re here to help you with advice and guidance.

A funeral service is a very personal event and people will often have very different requirements. We will do everything we can to ensure that your needs are met and that you can arrange the funeral you want for your loved one.

Orders of Service
An Order of Service can include hymns, songs, poems, readings, a photograph or anything else you would like added for the funeral service. It is helpful for mourners and can be sent to people who cannot attend the service.

It becomes a special memory of a loved one to keep forever, for you, your family, and friends who came to say goodbye.

Choosing a design
The design, along with the wording, can be interchanged as required. All are printed to a very high standard on quality card. You may wish to add a photograph(s), emblem, badge, special text etc. to create a unique and lasting tribute.

Additional Products
As well as the Order of Service, we also offer a full range of matching stationery.

These are shown for each design and include: large and small Books of Condolence, Encapsulated Bookmarks, Memorial Cards and Attendance Cards.

We also offer Laminated Religious and Non-Religious Keepsake Cards as well as Canvas Prints in three sizes.

Something Different

Create-your-own Design

Send us your own images and design ideas so we can create a truly personalised and individual Order of Service at no extra cost. This can reflect a person’s particular life, passions, hobbies, or their favourite region, country or flower.
Dad loved everything to do with steam trains; they were his main hobby and his favourite was always the Flying Scotsman! Could you create a design that uses a nice image of this train? You may even already have a design of this iconic train that could be used.

We have a nice photo that you can use on the front cover, perhaps in an oval shaped frame? Can we also order a small Book of Condolence and Memorial Cards to match the Order of Service?

Here are just a few examples of the extensive coded designs that have been created to suit different requirements.

Please note we are not able to use certain images/themes due to copyright restrictions.
