FUNERAL DIRECTORS

HELPING YOU CREATE A PERSONAL TRIBUTE

Choosing the right coffin or casket is an important part of the funeral arrangements. The style chosen can reflect the personality or wishes of your loved one and provide a meaningful goodbye.

Flowers are a simple and beautiful way to create a personal tribute to a loved one. They can help express feelings when it's difficult to find the right words. Whether you prefer a simple bouquet, wreath, spray or coffin display we are here to help you with your decision.

BEAUTIFUL HEARTFELT TRIBUTES

CREATING A FITTING TRIBUTE

We're here to help you create a beautiful and personal tribute to your loved one, and we take the greatest care to help you to make a choice that is most fitting.

There are many types of floral arrangements available. We will guide you and help you choose a tribute from our collection, or if you prefer, you can instruct a more bespoke design.

Our funeral arrangers will take time to understand your exact requirements and will work with trusted and skilled florists to create your desired tribute.

After the funeral, we can collect the cards from tributes given by family and friends. We will then give them to you later as a keepsake. Please let the funeral arranger know if you would like us to do this.
