DWP (DEPARTMENT FOR WORK AND PENSIONS)

If you have made or intend to make an application for a DWP Funeral Payment or any other financial assistance or grant to help you pay for the funeral, it is likely that it will only cover part of the Funeral Cost that you owe us. In some cases, an application for a DWP Funeral Payment or any other financial assistance or grant may not be successful or only be partly successful. Depending on the outcome of those credit checks, we may insist upon full payment in advance.

LATE PAYMENT

If you (or the person you are expecting to pay) does not make full payment due to us by the due date for payment, we may charge interest to you on the overdue amount at the rate of 4% a year above the Bank of England base rate from time to time, plus reimbursement costs of any expenses made by us, unless we have agreed alternative arrangements with you.

This level of interest will be charged from the date on which payment was due until the date on which it is repaid in full and you must pay us interest together with any overdue amount.

Please note that if the invoice remains outstanding after 60 days of delivery, we may ask another company to collect or receive outstanding payments on our behalf.

However, if you dispute an invoice in good faith and contact us to let us know promptly after you have received an invoice that you dispute it, we will not charge you interest or transfer your debt to another company until we have investigated the dispute.
